

MASTER SERVICES AGREEMENT – Standard Template
Version 2026.1

CLAUSE 7 – LIABILITY

The Adviser's aggregate liability under this Agreement shall not exceed the total fees paid in the twelve months preceding the claim. This cap is a material term and the fee structure assumes it. Do not accept an uncapped liability clause, and do not accept a cap expressed as a multiple of fees without repricing the engagement.

CLAUSE 9 – INTELLECTUAL PROPERTY

Methodologies, frameworks and tools developed by the Adviser before or outside the engagement remain the Adviser's property. The client receives a perpetual licence to use deliverables internally. Client-specific work product transfers on final payment, not on delivery.

CLAUSE 12 – CHANGE CONTROL

Any request that alters the scope stated in the applicable Statement of Work requires a written change order signed by both parties before the work begins. Work performed without a signed change order is performed at the Adviser's risk and is not billable.

CLAUSE 15 – PAYMENT

Invoices are payable within 30 days. Interest accrues at 4 percent above base after 45 days.
